

DetsolTM

TRIRAY

TRIRAY LABS PVT. LTD.

TRIRAY LABS is a reliable manufacturer of Industrial, Domestic hygiene products providing cleaning solutions. Triray Labs is a certified ISO 9001-2008 Company. Established in the year 2010 backed up by a Corporate group, we offer Green friendly products using advanced formulations which are bio-degradable and eco-friendly in nature. Triray under the brand name of **DetsolTM** launched Laundry products which have extensive applications towards highend fabric care, giving long life and softness for clothing.

DetsolTM FABRIC SOFTENER TSF3

DetsolTM liquid fabric softener during the final rinse cycle to give fabrics a softer feel and help reduce static cling. **DetsolTM** fabric softener is more concentrated than Classic **DetsolTM** fabric softener, so you can use less and get the same great result.

ActiFresh micro beads are **DetsolTM** innovative scent technology that makes fragrance last longer in your laundry. During the wash, **DetsolTM** actiFresh micro-beads are transferred to your laundry. Microscopic scent beads contain fragrance, which releases with movement for fresh bursts of freshness throughout your day.

Available in 1 ltr/ 5 ltr packages

DetsolTM LIQUID BLEACH TLB4

Say good-bye to bleach that smells horrible, burns your skin, and has to be kept on a high shelf away from unsuspecting family members. Say hello to an all natural alternative – **DetsolTM** Liquid Bleach whitens and brightens without any life-threatening chemicals.

Our Liquid Bleach is a chlorine-free formula created from hydrogen peroxide (also known as oxygenated bleach), one of the most environmentally safe chemicals on the market. It works by releasing oxygen to perform the bleaching process, and converting itself into simple H₂O (water and oxygen) once the process is complete. Safe for you, your family and our environment.

Available in 1 ltr/5 ltr packages

Detsol™ SUPERPOWDER TCP2

Detsol™ is Biodegradable Pleasantly scented product, packed with brighteners and high quality cleaners. Suspends soil and greasy dirt so they are not re deposited onto laundry. Suitable for all washable fabrics. Ideal for everyday washing of towels, sheets, uniforms, rags, and those items typically washed on a daily basis. Free flowing and non-clumping formulation. Cleans without harming fabric.

Available in 1 kg/5 kgs packages

Detsol™ CLEANING POWDER TCP1

Detsol™ is Biodegradable Lemon-scented economical Powder. Recommended for cleaning towels, sheets and other institutional laundry that is washed on a daily basis. Non-clumping and free flowing. Provides excellent whitening, brightening and cleaning. Recommended for heavy soil in institutional and commercial machines.

Available in 1 kg/5 kgs packages

Detsol™ LIQUID DETERGENT TLD5

Detsol™ Heavy Duty Bio Laundry Detergent is specially formulated to give extra stain removal performance, even at low temperatures and is versatile enough to be suitable for hand and machine washing. **Detsol™** Non Bio Laundry Detergent is equally effective for hand and machine use and is kinder for sensitive skins. This is superior cleaning without the enzymes.

Available in 1 ltr/5 ltr packages
